Christian Prayer for Exam Time

O God of Wisdom,
I thank you for the knowledge gained
and the learning experiences of this time.

I come to you on this day
and ask you to enlighten my mind and heart.

Let your Holy Spirit be with me
as I prepare for these exams,
guiding my studies, and giving me insight
so that I can perform to be best of my ability.

Please grant me the strength
to handle the pressure of these days of exams,
the confidence to feel secure in my knowledge,
and the ability to keep an appropriate
perspective through it all.

Help me to keep in mind what is truly important,
even as I focus my time and energy on these exams

Finally, may I sense your peace in knowing that I
applied myself to the challenges of this day.

I ask this through Jesus Christ our Lord.
Amen

A HUGE THANK YOU FROM ISHKA
Thank you to all who have helped with my Expo by filling the recycle bin. I ask if you could please just place plastic (2lt & 500ml) bottles in the bin instead of your rubbish bags and papers. I would really appreciate this as it would be easier to collect and wouldn't give off a smell and make that area of the school dirty!

All pupils who are not in the show will be attending the Friday Matinee.

The ticket price of **R20** will be added to your July bill for your convenience.

MY OLD TOY

I can remember that
Rusty old toy. Oh it
Was my favorite toy,
But now I've grown
Up and I've technified
So now that toy is just
A spec in my mind.
Cellphones, computers
And laptops to add
That's why that toy
Is no longer my fad.
Made in China
Bought in Du Troyt.
But now I've grown
Up it has been
Given away,
Oh I remember
That sadening day.

THE BABY WHO ATE EVERYTHING

There onec was a baby so hungry
He ate up his daddy called Mumgry
The baby was still hungry
So he ate his mummy
(Along with his special dummy)
The baby now was really full
So he drank the pool
And on and on he ate the town
Until he exploded
He shot up into little pieces
Above the Earth into the universe
He's now become a famous star
Somewhere up there, beyond and far

Rumple Me Pants

This is the tale of Rumple me pants.
Who had a nest of indoor ants.
Every day he'd try to kill.
These ants for his healthy meal.
But every day he would fail.
Because they hid behind the rail.
But he would never give up.
Because the ants brought his bad luck.
Then at night when he's in bed,
He would hear a song inside his head
HELL FIRE AND DAMNATION THAT'S THE FATE THAT YOU
DESERVE!!!! BURN BURN BURN!!!
Then he would toss and turn.
When he awoke,
He would take a soak
He would come back and discover.
The mystery that was undercover.
The ants sang through the microphone.
That sent a shiver through his bones.
Now they are his back up singers.
Called the Nestie blingers
Now that's the tale of Rumple Me Pants,
Who had a nest of indoor ants!!!

PUSS IN BOOTS

This is the tale of puss in boots
Who tried to play a golden flute
He put it in his mouth
And out came a shout
For he had broken his tooth
He went on a journey to find the tooth fairy
Which by the way was allergic to dairy
He knew he had to help
To find some magic silver kelp
The journey was very far
To go to the old town of Lord
Luckily they had a flying car
To make it work they had to sing a song:
"Dum lil lil dum lil ly,
Come lil lil car it's time to fly"
The kelp helped the tooth fairy
To get her magic back
For now her magic she didn't lack
She fixed the kitty's tooth
And helped him to play a golden flute
This is the tale of puss in boots.
